

Rule 6

Keep Entities small

[OC 77]

"do one thing" [OC]
"do it right" [CC]

[50]

→ focus, readability, overview

1 Purpose per class: small units that "have an identity" [OC]

+ "fit in one screen"

Packages are "clustered classes" (Fabi)

[10]

like classes: "Work together and achieve one goal"

Fabi: Bundle different special behaviours / implementation variations in one package (design and achieving one thing)
